About CMAI

CMAI Association of India is a professional registered association for promotion of Indian IT and Telecom Sector. CMAI is the only Integrated Association in India for IT and Telecom Sector having all stake holders as its members. It is an apex premier body with MOU partners and representatives all over the world. It is involved in policy formulations along with Government and other stakeholders for Technology Innovations, Indigenous Manufacturing, Research and Development etc. It assists manufacturers to maximize competitiveness in the domestic and international markets. The CMAI is currently developing scientific knowledge and practical means for protecting human ecology and environment from the harmful effects of environmental hazards like e-waste, radiation etc.
