

Subject- Mis information with regard to High Court Orders in the case of Ericsson v/s Lava

Date:-19th July 2016, E-cmai.imf@gmail.com from president_cmai@cmai.asia

Dear Sir

This is to clarify that there have been some misleading media reports that High Court has passed interim injunction for Lava to stop manufacture and sale mobile phone using Ericsson technology. The fact is that the interim order is subject to the condition that if Lava deposit a sum of Rs.30 Crores with the Court as **FDR**, then the operation of interim order shall remain stayed **till the final disposal of the main suit**. No orders to pay to anybody else including Ericsson.

We feel as association this is good judgment.

The judgment is available in public domain and is also available with us.

Thanking you,
