Letter No: UPTU/VCO/Cir/2015/6895

Dated : April 07, 2015

To,

All the Chairpersons
Institutions/Colleges affiliated to
Uttar Pradesh Technical University, Lucknow.

Dear Friends,

You may be aware of the fact that in a meeting with Chairpersons on January 17, 2015, in Noida Campus, it was decided to constitute two committees; one for the modification of syllabus making it industry-oriented and the other one is for employability and skill-development to ensure placement of UPTU students. Both the committees were constituted in consultation with Chairpersons' Shri Atul Garg, Chairman, KIET was given the responsibility of the Chairperson of both the committees. Subsequently, a follow-up meeting was in the month of February to draw out the plans for achieving the targeted objectives of these committees. It was decided at that time that a workshop be organized on the subject matter of employability and skill development meant for preparing the capability-building projects to be initiated by all the institutes.

Fortunately, for us, that the president CMAI Prof. N.K. Goyal has agreed to be the technical partner for this workshop. CMAI will be rendering the expertise in various areas such as Information Technology, Computer Science & Engineering, Electrical Engineering, Communication Engineering, Infrastructure etc. by bringing their industry associates to link themselves with the institutions of UPTU. I am glad to acknowledge and report that Ms. Mona Gulati who has been assisting Mr. Atul Garg in both the committees will be the host for this workshop. Ms. Mona Gulti under the patronage of Mr. Girdhar Gopal Gulati has been volunteering wholeheartedly.

Through this letter, I am extending my personal request to all of you for the following:
