'Content, Quality and Examination framework' on dated 7th Aug, 2013**

1. Presentation on Skill Development Initiatives in Telecom Sector by DDG (Skill Development)
2. Agenda on Capacity Building:
 - 2.1 Skill-gap study to assess the manpower requirement at different skill and expertise levels by partnering with NSDC and industry to identify the relevant needs of the sector and prepare a roadmap.
 - 2.2 To create an enabling framework to meet the demand for human resources in the sector in partnership with Ministry of HRD.
 - 2.3 To strengthen and develop National Telecom Institute for Policy Research, Innovation and Training (NTIPRIT) as an institute of international repute, for capacity building and enabling research in India centric technologies and policies in telecom domain.
 - 2.4 To develop other training institutes including those under DOT and its organisations as national level telecom schools of excellence for imparting training to Government/ PSU officials and other stakeholders.
3. Agenda on Content, Quality and Evaluation framework:
 - 3.1 To put in place an ecosystem to advise and assist Ministry of HRD to periodically upgrade academic curriculum of telecommunication courses.
 - 3.2 To set-up a comprehensive repository in NTIPRIT for disseminating telecom field related information, standards, benchmarks, resources, program curriculum, etc.
 - 3.3 To promote and augment vocational and non-formal training institutes in urban and rural areas to cater to the skill and training needs of telecom sector.
 - 3.4 To encourage collaboration with premier educational institutes like IITs and telecom research organisations of excellence for directing research and development to field problems
4. Any other item with the permission of Chairpersons of the two Groups
