

The Secretary-General

Geneva, 14 May 2013

Mr. N.K. Goyal
President, CMAI
Vice Chairman ITU-APT Foundation of
India
New Delhi
India

Dear Mr. Goyal,

It was my pleasure to meet with you during my visit to India on 7th May 2013 and to confer CMAI 7th National Award for the second time in New Delhi. I am very delighted to see the vibrant telecom sector as well as the huge opportunity for telecom manufacturing while achieving the vision of Broadband on Demand under the National Telecom Policy 2012 in India.

Taking this opportunity, I reiterate my personal invitation to attend the ITU Connect Asia-Pacific Summit and the TELECOM World 2013 to be held in November 2013 in Bangkok, Thailand showcasing achievements of India in IT and Telecom sector.

I look forward to further collaboration between the International Telecommunication Union, CMAI, and ITU-APT Foundation of India.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Dr. Hamadoun I. Touré'.
