Subject: Logo for Electronics System Design and Manufacturing in India

Dear *Shri N K Goyal*

As part of the efforts to promote the Electronics System Design and Manufacturing (ESDM) sector in India, a logo with a catch-line has been developed. The logo is provided below for your information. A soft copy of the logo is downloadable in different file formats from www.deity.gov.in/esdm.

As a lead organization in the ESDM sector, you and your members have a very important part to play in the promotion of the sector. We encourage you to use the logo in your promotional material/ stationary/ website, etc. Please also advise your members to use the logo in an appropriate manner.

With regards,

Yours sincerely,
