### 公司简介 Company Introduction

CMAI is a professional registered association for promotion of Indian IT and Telecom Sector. CMAI is the only Integrated Association in India for ICT, Communications, Multimedia, manufacturing industries and Infrastructure Sector having more than 8,500 stake holders as its members. It is an apex premier body with more than 54 International and Domestic MOU partners and representatives all over the world. It is involved in policy formulations along with Government and other stakeholders for Technology Innovations, Indigenous Manufacturing, Research and Development etc. It assists manufacturers to maximize competitiveness in the domestic and international markets.

The CMAI is currently developing scientific knowledge and practical means for protecting human ecology and environment from the harmful effects of environmental hazards like e-waste, radiation etc. It is actively engaged in policy formulations concerning environmental, pollution and health. It cultivates generally good values in public and general awareness and protection in the field of health effects, synthetic and polluted environment and also the significance of natural environment and rural areas as a whole in an integrated way and manner and global peace.

CMAI is actively involved in Government policies for rural development, inclusive growth, indigenous manufacturing, 3G, Spectrum, and Licensing etc.

CMAI provides a forum where telecommunications, ICT, multimedia and infrastructure companies can unite to advance the industry's concerns and provides exceptional value through advocacy and business opportunities, networking and continuous interaction with Government, Telecom operators and manufacturers and opinion makers.

CMAI further recognizes that exhibitions, trade delegations, seminars, buyer seller meets and events of like nature are very important for trade promotion. CMAI collaborates, and cooperates with world renowned organizations in this behalf and provides guidance for Market research, Market development, international trade, policies and procedures and extends one window service to trade and industry.

CMAI is only Indian association organizing Expo in Shenzhen China and India simultaneously on Communications, Mobile and Tablet Sector.

**Vision:** To facilitate inclusive growth of the communications sector in India through participation of all stake holders including Service providers, Operators, Infrastructure providers and Vendors.

**Mission:** To create a platform, where all stake holders of Telecom/ IT Industry, Policy Makers and International Associations can work together in creating value for the Indian Telecom/IT Sector and in providing Quality yet Affordable Products and Services to the Indian consumers.

Mr. NK Goyal, having experience of more than 41 years in Telecom and IT is President of CMAI. He is also Chairman Emeritus of TEMA, i.e. Telecom Equipment Manufacturers Association and Vice Chairman of ITU APT and also Director on behalf of Govt. of India on the Board of NFL Ltd.
